

Texas Section AWWA
Workforce Development Award

Purpose of the Award: To recognize a utility, agency or company for an innovative and successful program designed to promote workforce development for the utility, agency, company or the water industry in general.

The Award: A plaque

Frequency of the Award: Annually if there is a deserving candidate.

Eligibility for the Award: Utility, agency or company whose primary business is serving water customers or the water industry.

Nomination Procedure: Application must be submitted to the TAWWA Awards Committee by the organization, by the Texas Section Workforce Strategies Committee or by a member of the TAWWA Awards Committee.

Nomination Deadline: February 1

Selection Committee Membership: The TAWWA Awards Committee. If no members of the Awards Committee are currently serving on the Workforce Strategies Committee, a member of the Workforce Committee may be asked to join the Selection Committee.

Method of Selecting Award Recipient: Consensus of the Awards Committee. The TAWWA Workforce Strategies Committee may be consulted.

Presentation of the Award: At Texas Water
